MARKET DISRUPTION

The Indian Food Revolution

Unlocking the immense Philippine appetite for flavorful, unlimited, and affordable dining through standardized regional Indian cuisine.

Market Gap & Our Disruption

The Philippine Market Void

Overpriced Fine Dining: Existing Indian restaurants in BGC, Makati, and Ortigas charge ₱600–₱1,200 per dish, locking out mainstream Filipino diners.

Lack of Quick Combos: BPO professionals, students, and office workers have no access to fast, affordable, pre-portioned ethnic lunch trays.

Inconsistent Street Options: Rare budget Indian stalls suffer from inconsistent hygiene, poor packaging, and unstable ingredient supply.

The Simhika Solution

The ₱199 Price Revolution: Complete 4-dish combo thalis from ₱180–₱220, matching regular food court budgets with unmatched exotic flavor.

Filipino Cultural Synergy: Capitalizing on the country's passion for "Unli-Rice & Gravy," driving massive lunch hour queues.

4 Resilient Cash Streams: Seamlessly integrating dine-in foot traffic with recurring monthly tiffins and high-margin event catering.

Authentic Regional Indian Thalis

Simhika Kitchen brings the diverse regional culinary traditions of India into standardized, high-velocity commercial kitchen sets:

- **North Indian Royal Thalis:** Rich Dal Makhani, Paneer Butter Masala, aromatic Jeera Basmati, and hot tandoor rotis.
- **South Indian Coastal Feasts:** Tangy Sambar, pepper Rasam, fresh vegetable Poriyal, crisp papad, and refreshing curd rice.
- **Gujarati & Western Platters:** Mild sweet-savory gravies, yellow dal, dry spiced subzi, and fresh homestyle phulkas.
- **Healthy Homestyle Commitment:** 100% whole spices, zero chemical food colorings, low cooking oil, and uncompromised authentic flavor.

The "Unlimited Meals" Advantage

The Unli-Rice Culture

Filipino diners love unlimited meal formats (pioneered by Mang Inasal). Simhika applies this winning formula to fragrant Basmati rice and rich Indian gravies.

Sub-30% Food Cost

Rice, dals, and base gravies carry extremely low raw ingredient costs. Unlimited refills delight diners while preserving hefty 68%+ gross profit margins.

Viral Word-of-Mouth

Unlimited authentic Indian meals starting at just ₱299 generate intense TikTok and Facebook virality, creating packed restaurants with zero ad spend.

Four High-Margin Revenue Streams

Dine-In & Express Thalis

High-turnover daily counter sales and sit-down dining sets engineered for ultra-fast table turnaround during lunch rushes.
